What is the DTV?

The Destination Thailand Visa (DTV) is Thailand's new **long-stay option**, open to remote workers and to participants in recognized **soft power programs** that highlight the country's culture and creativity.

By joining **Thai Living Landscapes**, you fulfill this requirement through a 1-year cultural seminar program in Bangkok with monthly sessions on Thailand's art, history, religion, nature, and society.

Benefits of the DTV

- Valid 5 years · Multiple entries
- Stay up to 180 days per visit
- Supports your lifestyle — not just work

Begin your journey today at **ThaiLivingLandscapes.com**

Why Choose TLL

Most DTV options focus on cooking, fruits & vegetables, or Muay Thai.
We go beyond.

Thai Living Landscapes offers a **full-year seminar program** that connects you with Thailand's living culture — from its creative heritage and belief systems to the people shaping modern Thai society.
Each event combines expert insight, engaging visuals, and open discussion, creating a **space to learn, share, and connect**.

- **12 seminars · 1 pass**
- **Diverse cultural themes**
- **Expert Thai speakers with Q&A**
- **Connect with locals + expats**
- **All documents included and ready for submission**
